3. Drive Fast, Drive Furious

This is a unique and exciting opportunity to experience the thrill and passion of driving six different exotic sports cars - all in a single day! Get behind the wheel of six different vehicles from a stunning collection of the world's greatest automobiles, including the Ferrari F430, the Lamborghini Gallardo & Murcielago, the luxurious Bentley Continental GT, the stunning Aston Martin DB9 and more. A trained professional will give you a complete overview of each vehicle - including full instruction on the operation of certain vehicles' electronic "F1-style" transmission. Then, compare and contrast the performance and handling characteristics of each car as you drive them for 20 - 30 minutes each on the open roadway. Afterwards, you'll have an opportunity to share your experience with the other drivers and make an informed decision about which is your favorite. Feel free to bring a friend to be your wingman as you're going to want someone there to back up your "fast and furious" stories from the day! This certificate is good for one driver only (and passenger); winner may wish to upgrade to more than one driver, if desired, for an additional cost.

Your world-class driving experience includes a certificate of completion, t-shirt, DVD and other mementos of your day with exotic dream cars.

5. Supremely Collectible Wines from Spain

López de Heredia Vina Bosconia Gran Reserva, Spain 1964

The López de Heredia estate vintages from La Rioja in Haro, Spain, are highly sought after and beloved by wine connoisseurs around the world. 94 points from Robert Parker's Wine Advocate: "A showstopper! Blessed with an extraordinarily deep, intense color as well as an exotic combination of cherry, sassafras, dried rose and herbal notes with a gentle vanilla note, it is a stunning effort. Impossible to believe this is a 40+ year old wine."

López de Heredia Vina Tondonia Primer Centenario Gran Reserva, Spain 1977

A visit to the venerable Bodega López de Heredia is akin to entering a time machine taking you back 100 years. The fourth oldest winery in Europe, construction of the Bodega began in 1877 and continues without any apparent changes to the present day. This bottle was especially selected by the winery to commemorate their 100 year anniversary. Extremely limited production and a rarity outside of private collections.

López de Heredia Vina Tondonia Reserva, Spain 1999

91 points from Stephen Tanzer's International Wine Cellar. Aromas of red currant and flowers complicated by sweet chewing tobacco, succulent herbs and exotic Indian spices. Delicious and complex now; will age beautifully.

Viña Ardanza Rioja Alta 904 Gran Reserva, Spain 1997

Founded in 1890, La Rioja Alta has crafted some of the most astute wines of Spain. The "Gran Reserva 904" is the elegant vintage of the winery and offers aromas of leather, tobacco, cherry and forest floor. Delicate and complex, with a long, lingering finish. Bestowed 94 points by Wine Advocate.

La Rioja Alta Viña Ardanza Reserva, Spain, 1998

A top Tempranillo offering with a deep cherry red color and a spicy and round finish, this will become one of the top Rioja vintages. Excellent for consumption now, but a good candidate to hold on to.

Case of Tres Picos (12 bottles) of Tres Picos Borsao Granacha, Spain

A most superb table wine, Tres Picos offers a wine with a rich aroma of ripe berries with hints of floral tones typical of the Garnacha, a unique variety. Enjoy today!

Set of Eight Riedel Vinum Tempranillo/Rioja Wine Glasses

Each Riedel Crystal Wine Glass is fine-tuned to direct the flow of the particular type of wine onto parts of the palate that will best express the flavors and aromas of that varietal. The fine crystal offers superb clarity so you can experience the wine's color and texture. Dishwasher safe.

7. Elite Access to Four of the Most Exclusive Golf Courses in America

This rare opportunity to access these distinguished championship courses is not to be missed! This is a superb “client-relations” opportunity for the lucky winner or a wonderful gift for your favorite golf fanatic. Four of America’s most elite golf courses are available for you in this once-in-a-lifetime golf experience that includes rounds at the following celebrated golf courses:

Winged Foot Golf Club, Mamaroneck, NY (Ranked 8th in U.S.)

From its inception, this fabulous club has been at the center of golf’s proudest traditions - in purity of its A.W. Tillinghast design, individual accomplishment, quality of membership, and historic milestones of the sport itself. Consistently ranked in the top 10 in the United States by Golf Digest, and the site of five U.S. Open Championships and a PGA Championship, Winged Foot is not to be missed by any golf enthusiast.

Merion Golf Club, Ardmore, PA (Ranked 7th in U.S.)

Championship golf and champion golfers have long been intertwined with the mystique of Merion Golf Club. Merion has played host to more USGA Championships than any other course in America and is home to some of its greatest moments including Ben Hogan’s awe inspiring performance and now legendary one-iron on the 72nd hole during the 1950 U.S. Open. Scheduled to host the 2013 U.S. Open, Merion continues to not only challenge the world’s best, but identify them as well.

Quaker Ridge Golf Club, Scarsdale, NY (Ranked 14th in NY)

Quaker Ridge is one of the least well-known of the world’s great courses. Cloaked in secrecy, and publicity-shy, the members of Quaker Ridge like to keep it a low-key affair. You will not find a published club history; even pictures of the course are hard to find, although Quaker Ridge is ranked 30th best golf course in the world by *Golf Digest*. Listed among the best courses New York has to offer by professional golfers, you can enjoy access to the Black course at Quaker Ridge through this once in a lifetime package.

Bethpage Black (Ranked 7th in NY)

Bethpage State Park, located on Long Island, is a mecca featuring five 18-hole regulation golf courses including the world-renowned Black Course, site of the United States Open in 2002 and 2009. Slated to host the first week of the FedEx Cup Playoffs, the Barclays, in both 2012 and 2016, the Bethpage Black Course is one of the finest public courses in the United States and tee times—while officially “open to the public”—are almost impossible to come by.

The package includes threesomes and lunch or dinner may be arranged with member/host. Dates of play to be mutually agreed upon with member/host. Caddies available for an additional cost. Expires November 4, 2012.
